How will you earn through Dyuti?

We will be there with you at every step but these are few ways that will help you start your business and run it successfully.

Organise a get-together and showcase your jewellery. Play the stylish diva and show off your metal!

Be at your social best and invite your friends over. Let them have a look at your magic box and enjoy compliments and sale.

Book a table or a stall at the mall or local market and enjoy enquires and sale. Get support from our Dyuti experts.

No Experience? Not a problem at all.

Just a desire to do something, few hours to spare and exploring one's social network is enough for you to start this business.

Plus, we will help you with all the training and hand holding required.

Why will you love your identity as a Dyuti?

Earn extra income
Commission earned through sales will be your earnings

Happy to help
We will be there if you need any kind of advice or assistance

You are your own boss
Master of your own wishes. Work according to your time and schedule

Meet new people
Get recognised!

How much you earn is totally up to you!

We will provide you with the most chic and classy collection of jewellery that is exquisitely crafted to look gorgeous and make you feel beautiful. All you have to do is take out time to meet people and show them these pieces.

The higher your sales, higher your rewards!

HOW MUCH YOU EARN IS UP TO YOU

How many hours can you spare per week?	What are you looking for?	How?	Average income per month
